

George Cook MSc

Senior Surveyor

E: g.cook@flude.com

T: 023 9262 9006

Personal Profile:

George joined Garner Wood in 2015 after completing a Masters degree in Property Development at the University of Portsmouth. First working as a General Practice surveyor before moving to focus on all aspects of agency. George joined Flude Property Consultants in August 2020, following the merger with Garner Wood and is primarily based in the Portsmouth Office.

George's main focus is on disposals of retail and business space, along with some investments, developments and acquisitional work on the South Coast.

With a range of clients from international corporations or institutions to local individuals. George has an extensive professional network and is always happy to meet new contacts in the real estate sector.
