Location & Accommodation

The building is situated immediately adjacent Brighton mainline railway station and which provides direct services to London Victoria (55 minutes) and Gatwick Airport (33 minutes).

The property is well served by a diverse array of local amenities including shops, restaurants and public car parks with Churchill Square shopping centre and the seafront within easy walking distance. Numerous bus services can be found close by whilst there is an NCP car park a short distance to the south east of the property.

Planning

A new Use Classes Order (UCO) came into effect on 1st September 2020. Under the new UCO a new Use Class E was introduced to cover commercial, business and service uses. Use Class E encompasses A1, A2, A3, B1 and some D1 and D2 uses under the former UCO. We therefore understand that the premises benefit from Class E 'Commercial Business and Service' use within the Use Classes Order 2020.

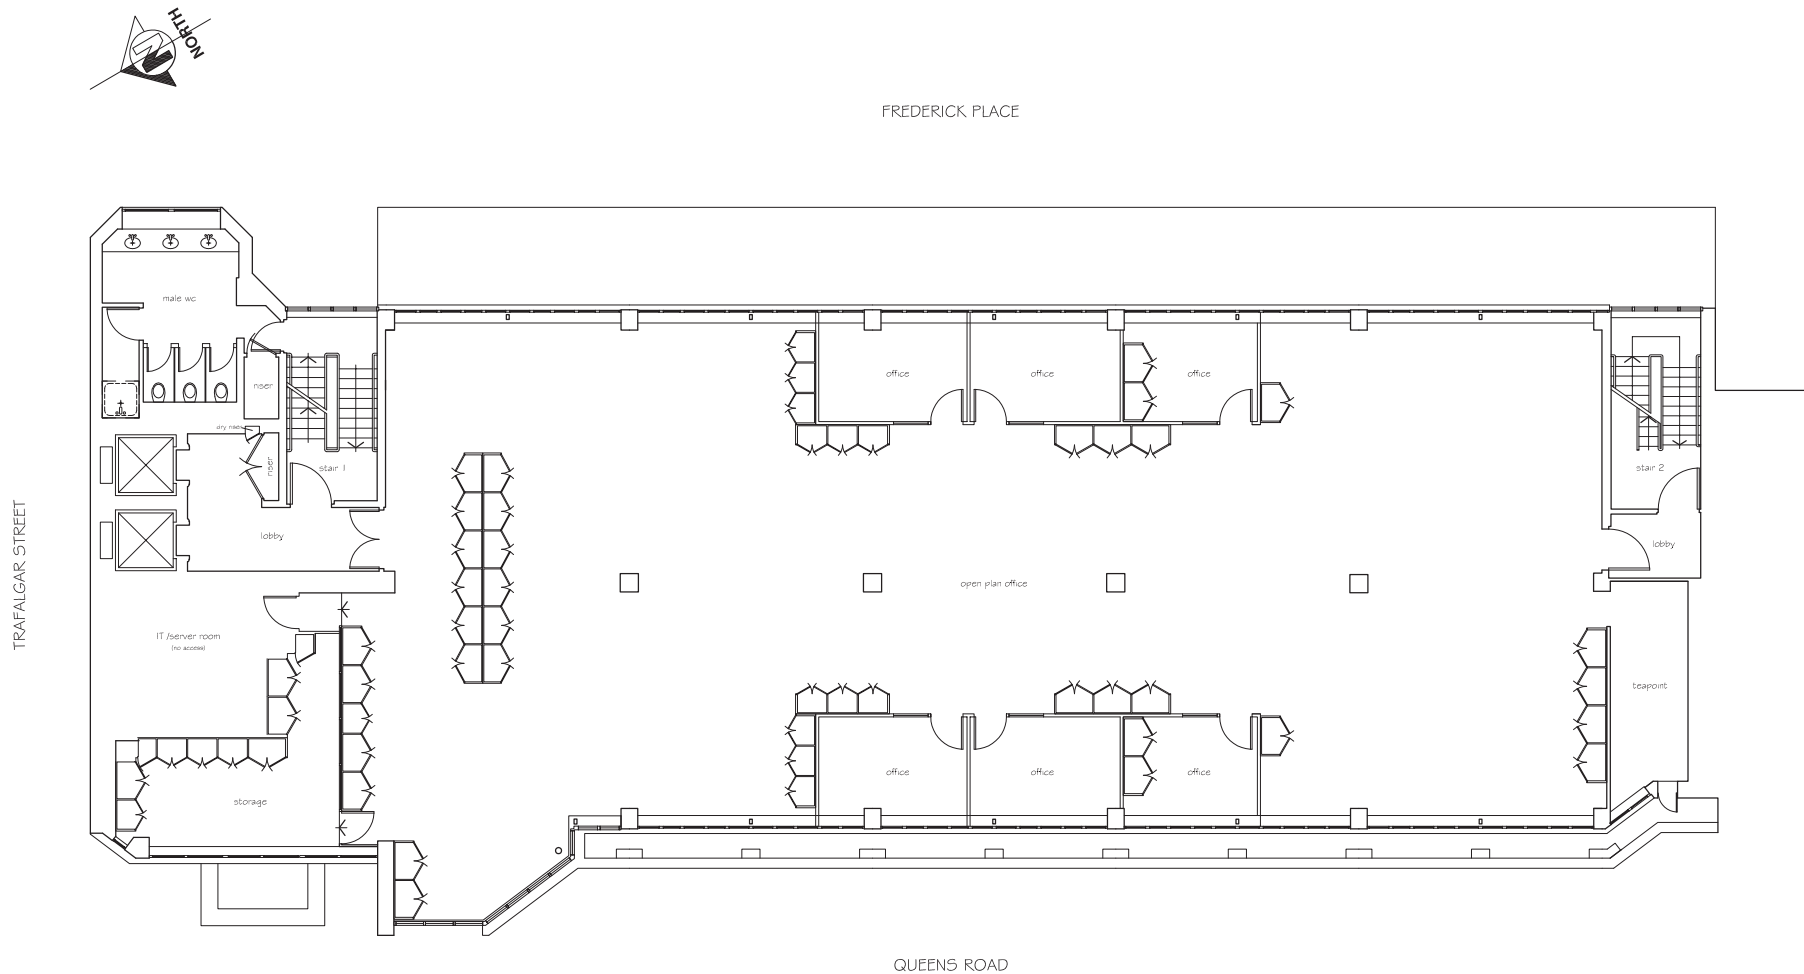

Interested parties should make their own planning enquiries and satisfy themselves in this regard.
