

Stroudley Road, Brighton, BN1 4BH

Welcome to the ultimate office space solution for your business! Our Plug & Play service offers everything you need to get your team up and running hassle free. With floors of between 20-40 workstations, fully equipped kitchens, pre-installed internet, and a fully furnished reception area, you can rest assured that your team will be productive and comfortable from day one.

Our state-of-the-art access control system with video intercom ensures that your workspace is secure and safe at all times. The symmetric 100Mbps WIFI, fully managed router, and pre-installed Local Area Network (LAN) ensure that your business can operate seamlessly without any interruption from day one.

Each floor features a fully furnished break out area, a breakfast bar, and a large south facing balcony, providing ample space for your team to relax and recharge. The glass partitioned meeting room with HDMI connectivity and big screen is perfect for presentations and client meetings.

But that's not all - our building has electric car charging, a rainwater harvesting system for toilet flushing, and solar PV panels providing 100% renewable energy. All this just a short walk from Brighton Station, so you and your team can enjoy a convenient and easy commute.

Don't miss out on this incredible opportunity to elevate your business to the next level. Contact us today to see for yourself why No. 26 Stroudley Road is the perfect solution for your business needs.
